PREMIUM SANDWICH PLATTERS

To celebrate the fine, iconic, British invention that is the sandwich, Jasper's introduces a premium selection of deep fillings on soft white and granary farmhouse bread.

- Spicy prawn Marie with watercress on white farmhouse
- Salt beef with mild mustard, gherkin and spinach on white farmhouse
- Mexican chicken with red onion and coriander on granary farmhouse
- Salami, mozzarella, tomato, basil and pesto on granary farmhouse

- Veggie Club: mild mustard, Quorn slices, mixed leaf, tomato and avocado on white farmhouse (V)
- Red Leicester Ploughman's with pickle on white farmhouse (V)
- Falafel, red pepper houmous, grated carrot and rocket on granary farmhouse (V)
- Cheddar, mayo, pickled red cabbage, gherkin and spinach on granary farmhouse (V)

Did you know?

The 'sandwich' apparently came about during a card game when John Montague, the 4th Earl of Sandwich, requested his cold meat be served between slices of bread so he didn't have to disturb his card game.
